

# FILSON IS REJECTED AGAIN

## JAPAN BELIEVED POSTPONING REAL JEHOL OFFENSIVE

### LULL IN DRIVE BELIEVED BE CAUSED BY DESIRE KNOW LEAGUE NATIONS ACTION

(By The Associated Press.)  
Reports from Mukden, Manchuria, today indicated that Japan may postpone her drive into Jehol province until the end of the month.

One consideration was said to be developments in the League of Nations, which has under consideration recommendations which have been made condemning Japanese policy in Manchuria. Another was heavy snowfall in South Manchuria and Jehol which was impeding operations. Furthermore, a peaceful settlement of the problem was reported to be the hope of some Japanese leaders from developments in Peking.

Reports that Chaoyang, Jehol's second largest city, and other towns in Eastern Jehol were bombed by Japanese planes were issued today at Chinese military headquarters in Zeiden.

Japanese reports said one of two advancing armies in Jehol was at Peiping, 20 miles northeast of Chaoyang, awaiting expiration of an ultimatum at midnight tonight before starting the long-heralded "big show." Chinese sources said Peiping was attacked but denied it was captured.

The other Japanese army, 150 miles northward, was approaching Kallu, northern key city, with bombing planes leading the way. The Japanese spokesman at Shanghai said the Chinese Nationalist government was informed today that unless its troops are withdrawn from Jehol they will be expelled forcibly. Although Chinese officials have not reported receipt of such a communication, the Japanese spokesman said it was delivered verbally to Foreign Minister Lo Wen-Kan.

Chinese ambassadors in the States, England, France, Italy, and Germany were instructed to inform those governments that Japan is mindful of their interests in the Peiping-Tientsin treaty area and will not permit those two cities unless Chinese reprisals force such action.

MUKDEN, Manchuria, Feb. 23. (AP)—Strong indications that Japan was postponing her offensive into the Chinese province of Jehol until the League of Nations passes on recommendations which have been drawn up concerning the Manchurian dispute were seen today in a lull succeeding the occupation of Peiping, the terminus of a railroad line from Chinchow.

In addition there were heavy snowstorms in Jehol province and

## FATHER KIDNAPED DENVER MAN WARNS THOSE RESPONSIBLE SAYS WILL SPEND ENTIRE FORTUNE TO PUNISH IF SON IS HARMED

DENVER, Colo., Feb. 23. (AP)—Claude K. Boettcher today vowed vengeance upon the kidnappers of his son, Charles Boettcher, 2nd, if the 31-year-old wealthy broker is harmed while in their custody.

"I will spend five times the \$80,000 ransom or 10 times that sum to track them down if they harm one hair of my son's head," the multimillionaire declared, a short time after it was learned a revolver had been ordered for him by his son's firm, Boettcher, Newton and Company.

The elder Boettcher, who Tuesday night made a futile effort to contact the kidnappers on a lonely road, was prevailed upon by police to take steps to protect himself from kidnapping or other harm.

His voice charged with emotion, the father delivered his ultimatum to the kidnappers on his son at a conference with newspapermen.

"I have no reason to believe my son is not alive," he said. "The abductors surely are business men enough to take care of my son so they can fulfill their part of the bargain. They must realize I will spend my fortune and the rest of my life in tracking them down and bringing them to justice if they harm him."

It was the eleventh day of young Boettcher's captivity. Police said they were stalemated in their investigation because of the father's announced policy of non-cooperation with them.

## VISITED WOUNDED MAYOR

Governor Henry Horner of Illinois is pictured on his arrival at Miami, Fla., following a hurried dash from Chicago to the bedside of Mayor Anton Cermak of Chicago. The governor was permitted to see Mayor Cermak, who though still in a serious condition, is believed to be making headway in his fight against the effects of the wound he sustained when an assassin attempted the life of President-elect Roosevelt.

## WOODIN CONFERS WITH MILLS ABOUT TREASURY PLACE

### NEW SECRETARY TREASURY TO QUIT OFFICIAL PLACE IN CONCERNS

By MORRIS WATSON  
NEW YORK, Feb. 23. (AP)—William H. Woodin, secretary of the treasury for the Roosevelt cabinet, announced this morning that he was to have a noon conference with Ogden L. Mills, the Hoover treasury secretary, to get into things.

Woodin also disclosed that next week he planned to disassociate himself from all the companies of which he is head or a director.

He declined to discuss his proposed resignation as treasury chief but indicated that practically all his time from now until inauguration would be spent in familiarizing himself with the workings of the department he will head.

"I am just going to saw wood from now until March 4," he said.

Woodin said that on Saturday he planned to go to Hyde Park for luncheon with Roosevelt at the President-elect's country home and that on Sunday night he would go to Washington. Monday

## Utah Mob Makes Attempt Prevent Sheriff's Sale

SALT LAKE CITY, Feb. 23. (AP)—A mob that stormed the city and county building here today in an effort to prevent a sheriff's sale, was expelled from the lower floor within a few minutes after tear gas bombs had been thrown by deputy sheriffs.

In the clash between members of the mob and officers that preceded release of the tear gas, one policeman was reported to have been badly beaten and several members of the crowd were declared to have been severely injured.

Newspaper reporters, besieged in the press room on the second floor of the building by the rising gas, telephoned their offices of the injuries sustained by the mob. Several shots also were fired during the engagement, but who fired them or whether they took effect was not immediately learned.

Kills Man, Surrenders

WELLINGTON, Feb. 23. (AP)—A preliminary hearing was arranged today for Jack Allred, 25-year-old farmer, who surrendered to officers after the killing of John Davis, 30, filling station operator at Quail, 12 miles northwest of Wellington.

## CHARGED HITLERITES GUARD DOOR OF VON HINDENBURG TO KEEP PRESIDENTIAL SILENCE

BERLIN, Feb. 23. (AP)—A charge that the door to President Paul Von Hindenburg has been closed to the public since Adolf Hitler became chancellor was before the German electorate today.

It was made last night by Fritz Schaeffer, Bavarian people's party leader, in a campaign speech at Nuremberg. He charged Hitlerites with seeking to curb the "free will" of the former field marshal, although under the German constitution the powers of the chancellor exceed those of the president.

This came close upon a sensational report of a plot to kidnap the 85-year-old president after the March election. Published in Swiss newspapers it was described as "too silly" for a denial by the Hitler government.

Reports that Hitlerites are determined to have a federal commissioner for Bavaria after March 5 led to the charges by Schaeffer. But he added that the "Bavarian people and the defense organizations would arrest a commissioner at the border."

Prussia is the only state now under rule of a commissioner. Vice Chancellor Von Papen was given that post.

Chancellor Hitler told the Associated Press in an exclusive interview that Germany will "gladly scrap her army if other nations do away with theirs."

In line with Germany's demand for juridical equality in arms when it withdrew from the disarmament conference for more than three months last year, Hitler said "we insist the same standards shall apply for all."

He declared his government's attitude toward the United States was one of "honest friendship" and that he believed private debts incurred abroad must be paid back.

"But the debtor from whom one is to get money back must not be first annihilated by political or economic measures," he added.

## BITTER DEBATE IS HEARD THURSDAY IN TEXAS LEGISLATURE

### RESOLUTION COMMENDING TEXAS DELEGATION ON RE- PEAL PROVOKES UPROAR

AUSTIN, Feb. 23. (AP)—A resolution introduced in the house of representatives by Representative J. C. Duval of Fort Worth, commending the stand taken in congress by the Texas delegation on repealing the eighteenth amendment, precipitated a bitter debate today.

No action was taken on the resolution and it was ruled out on a point of order that the time for consideration of resolutions had expired. It will come up again in tomorrow's order of business.

A motion to suspend the rules to permit final action failed 89 to 27. The resolution set out the names of the Texas delegation who voted for submission and omitted those who failed to vote for it. Those voting for submission were commended as having stood by the platform of the national democratic party and as having voted in accordance with the will of the Texas electorate.

In a primary referendum last July, an amendment was offered to command also the stand taken by United States Senator Morris Sheppard and Congressman Tom Blanton, Morgan Sanders and Wright Patman, who voted against submission.

Duval asserted that if an office holder could not bow to the wishes of the party he ought to get out of it.

"Sheppard didn't run on a wet platform, did he?" asked Representative W. A. Few of Waxahachie.

"No," replied Duval. "He didn't, but he should have supported the dictates of the party. We are not condemning Sheppard and the others. We are merely commending the voters."

Representative Weaver Moore of Houston quoted from a speech made in congress in July 1917 by Senator Sheppard and said that

(Continued on Page Five)

## JAPANESE ASSERT NO INTENTION OF GOING PAST WALL

### STATEMENT ON INSTRUCTIONS FROM TOKYO MADE BY AMBASSADOR DEBUCHI

WASHINGTON, Feb. 23. (AP)—Ambassador Debutchi on instructions from Tokyo, told Secretary Stimson today that Japan has no thought of moving south of the great wall on China unless there is provocation by the Chinese.

The ambassador told newspapermen the Japanese movement in conjunction with the Manchukuo forces was to establish peace in Jehol province so Manchukuo can function without annoyance.

Japan has repeatedly stated, he said, that it has no thought of moving south of the Jehol boundary.

However, if attacks are made by the Chinese upon Japanese civilians in North China the Japanese government feels it must send troops to protect the life and property of its subjects.

He said the Japanese population in Peiping, including the military, is less than 1,000, and the Japanese population in Tientsin, including the military, is between three and four thousand.

## ROOSEVELT IN SECLUSION WHILE GOING OVER LISTS FOR IMPORTANT POSITIONS

By FRANCIS M. STEPHENSON  
HYDE PARK, N. Y., Feb. 23. (AP)—In the seclusion of the family estate on the Hudson river, President-elect Roosevelt is scanning the names of men and women he must pick to take over key positions in the government.

He has a long list from James A. Farley, the national chairman who is supervising patronage, and Professor Raymond Moley, war debts expert, for first assistant secretary of state.

In the treasury department, Howard Bruce of Maryland is regarded as the probable under secretary. Arthur O'Brien of Washington is in line for an assistant secretaryship there.

Under Postmaster General Farley, James O'Mahony of Wyoming and William H. Hooton of South Dakota are expected to serve as first and second assistants, respectively.

## SENATE ADOPTED RESOLUTIONS FOR NEW AMENDMENTS

### INCREASING OF SALARIES GOVERNOR AND OTHER SOUGHT IN TEXAS

AUSTIN, Feb. 23. (AP)—The Texas senate today adopted by a two-thirds majority resolutions providing for submission of proposed constitutional amendments increasing salaries received by the governor, comptroller, treasurer, attorney general and commissioner of the general land office.

The governor's salary would be increased from \$4,000 to \$12,000 annually, the comptroller's from \$2,500 each to \$6,000 and the attorney general's from \$4,000 to \$10,000.

The proposed amendments would be voted on at the 1934 general election. The resolutions, sponsored by Senator Walter Woodul of Houston, must be adopted by a two-thirds majority vote of the house before amendments can be submitted to the electorate.

The senate finally passed three house bills.

One appropriates \$7,500 to finance a Mexican fruit fly extermination campaign in the Rio Grande Valley citrus fruit belt.

Another permits motor busses to be substituted in cities and for

## Wife Prominent Movie Actor Dies In Auto Crash

HOLLYWOOD, Calif., Feb. 23. (AP)—Mrs. Daley Canfield Moreno, oil fortune heiress and estranged wife of Antonio Moreno, film actor, was killed early today when her automobile plunged over a 300-foot embankment in the Hollywood foothills.

The wife of the actor was riding in an automobile with Rene H. Wallace of Iowa in the agricultural department, the names of

Frank Murphy of Minnesota and Henry Morganthau, Jr., of New York stand out in the discussion.

As right hand men for Henry Wallace of Iowa in the agricultural department, the names of

Ben Lindsey of Los Angeles, former juvenile judge in Denver, is discussed for governor of Hawaii.

Judge Bert Fish of Deland, Florida, is looked upon as the next governor of Porto Rico.

Leaving late today for Albany, Mr. Roosevelt will attend the annual dinner tonight of the legislative correspondents association, held to the state capital.

## ATTORNEY GENERAL ASKED FOR OPINION ABOUT CONVENTIONS

### SET-UP FOR STATE REPEAL AGENCIES WOULD BE DE- CIED BY CONGRESS

WASHINGTON, Feb. 23. (AP)—A resolution requesting the attorney general for an opinion as to the "proper method" to be followed by the states in setting up conventions for action on the prohibition repeal submission proposal was introduced today by Senator Keane (R., N. J.).

There has been wide divergence in congress over whether the states or congress or both should define how the convention should be convened.

Chairman Sumners of the house judiciary committee and Representative LaGuardia (R., N. Y.) have offered bills providing that congress point the way.

On the other hand Senators Walsh (D., Mont.) slated for attorney general in the Roosevelt cabinet; Democratic leader, Senator Robinson and Senator Borah (R., Idaho), likewise constitutional lawyers, agree the states should be left to determine the method without congressional interference.

Since the question has never arisen before, Senator Keane deemed it advisable to obtain an opinion from the government's legal department.

His resolution, which was laid on the table pending an opportunity to have it referred to committee, said:

"Resolved, that the attorney general is requested to furnish to the senate as soon as practicable an opinion with respect to the proper method to be followed in the calling of a convention in the several states for the purpose

(Continued on Page Three)

## PROHIBITION ISSUE BRINGS FORTH OPPOSING IDEAS FOR PASSING ON TEXAS REPEAL

## PROHIBITIONISTS AND ANTIS GIRDING FOR SOUTHERN FRAY

### MILITANT DRY ORGANIZATIONS FORMED IN SEVERAL STATES OF SOUTH

By GLENN RAMSEY  
(Associated Press Staff Writer.)  
ATLANTA, Feb. 23. (AP)—Prohibitionists and anti-prohibitionists in the South are girding for the conflict over proposed repeal of the Eighteenth amendment.

Militant dry organizations have been formed on a state-wide basis in Tennessee, Alabama, Mississippi, South Carolina and Georgia and plans are being made to organize the other states, many of which have been bone dry for years.

Meanwhile, legislatures in North and South Carolina, Arkansas and Georgia have taken steps toward putting into effect congressional provision for conventions on ratification or rejection of repeal with delegates elected at the ballot box.

Battle lines are to be drawn by both sides in taking the question directly to the people. Many prohibitionists have expressed the opinion that the South will remain dry. Anti-prohibitionists generally have said, however, they believe the people want a change.

So far little has been done toward perfecting fighting units but they leaders say they will have plenty of time.

## SENATE TURNS DOWN FERGUSON APPOINTEE FOR HIGHWAY BOARD

### F. L. DENISON REFUSED CON- FIRMATION COMMISSION PLACE SECOND TIME

AUSTIN, Feb. 23. (AP)—The Texas senate today refused to confirm Governor Miriam A. Ferguson's appointment of Frank L. Denison of Temple to be chairman of the Texas highway commission.

It was the second time the governor's choice for the place was rejected by the senate. Several weeks ago when he first was proposed the senate denied confirmation. The chief executive returned his name with a second request he be approved.

Today's vote was behind closed doors in executive session. Senators would not divulge how the vote stood.

The senators would not talk about what happened in the closed meeting. It was understood they were sworn to secrecy before the session started.

"We were placed under the rule," said Senator Roy Sanderford of Belton, leader of the fight to confirm Denison.

There had been complaint that information had "leaked" from previous executive sessions. The first time Denison failed of obtaining the two-thirds majority affirmative vote by one vote.

AUSTIN, Feb. 21. (AP)—The Texas senate voted to go into executive session at 11:45 a. m. today to consider confirmation of the appointment of Frank L. Denison of Temple to be chairman of the State Highway Commission, after the senate voted this morning to reconsider the confirmation.

Senator Will M. Martin of Hillsboro, chairman of the committee, gave notice that the senate should go into executive session at 11 a. m. tomorrow to consider the reconsideration.

On motion of Senator Walter Woodul of Houston, however, the senate voted 26 to 2 to dispose of the matter today. Senator Martin said he did not object to immediate action. Senator Roy Sanderford of Belton objected. He and Senator Gus Rusk of Schulenburg voted against an immediate executive session.

## Former Ball Player Dies

### NEW ORLEANS, Feb. 23. (AP)—John "Jack" Watson, 51, one-time well-known minor league baseball player and for the last 15 years a deputy sheriff for Orleans Parish, died here today.

## DR. T. W. WATSON DIED EARLY HOUR THURSDAY MORNING

### PROMINENT CITIZEN AND MASON BE BURIED HERE FRIDAY AFTERNOON

Dr. Thomas W. Watson, aged 76 years, prominent in Masonic and religious circles in Corsicana for many years, died at the Corsicana Hospital and Clinic at 12:10 o'clock Thursday morning after an illness of two days and the funeral will be held from the First Presbyterian church Friday afternoon at 2 o'clock with burial in Oakwood cemetery. The services will be conducted by Rev. W. R. Hall, pastor of the church.

Dr. Watson, a familiar figure in Corsicana for years, was a native of Canada. He moved to Tyler from Iowa in 1902 and four years later became a resident of Corsicana.

He was prominent in the affairs of the First Presbyterian church and was an elder of the church at the time of his death.

The body will lie in state at the home of Miss Annie Beal Clark, 1242 West Fifth Avenue, until the funeral hour.

Dr. Watson became affiliated with the Masonic Lodge in Iowa 25 years ago. He took an active part in the local Masonic bodies and had been over all the local branches of the order. He was district deputy grand master and grand visitor in the Royal Arch chapter and was Texas representative of the grand chapter of Manitoba at the time of his death. He was also a certificate holder in the lodge chapter and council.

Surviving are two daughters, Mrs. Mabel Moore, New York City, and Mrs. R. S. Daniel, Denton; two sons, Ralph Watson, Los Angeles, and Harold Watson, San Francisco; a brother, J. J. Watson, Wisconsin, and two sisters who reside in California.

Masons will have charge of the services at the grave and will be active pallbearers.

Honorary pallbearers will be deacons and elders of the First

(Continued on Page Five)

## NAVARRO DEFEATED COUNTY CHAMPIONS TUESDAY EVENING

### RUNNERS-UP COUNTY CONTEST SECURED REVENGE ON MILDRED GYM

MILDRED, Feb. 22.—(Sp.)—Playing without the services of Trent, their star forward and scoring sensation, Rural Shade, 1933 Navarro county class A and B titlists, dropped a practice tilt to Navarro, county runner-up, and winner of the Corsicana, Y. M. C. A. and Mildred invitation tournaments, 26-16 on the Mildred gymnasium Tuesday night.

In a certain raising event, the Navarro girls had little difficulty in taking out the Mildred girls 17-8.

Navarro's win last night in a measure gave them revenge for the 32-30 defeat at the hands of Rural Shade in the final game of the county tournament at the Corsicana Y. M. C. A. a couple of weeks ago. Rural Shade is practicing to enter the district basketball tournament in the near future. Navarro county's A and B interests. After annexing the B title over Navarro, Rural Shade bowled over State Home, class A for the undisputed county title.

The game here last night, the county titlists were considerably handicapped by the absence of Trent, star forward, and scoring threat, both in his ability to hit the basket, and by the confidence he inspires in his team mates. Trent recently sprained his ankle playing tennis, and will not likely be able to play in the district fracas.

Navarro drew first blood and held Rural Shade scoreless for the greater part of the first period, but as the minutes waned Griffiths, another sensational basketball player, connected with a pair of long ones, to give his team 4 points for the first quarter, while Navarro was leading with 8.

Navarro again got right in the second and was leading 16-6 at the half. Griffiths was still Rural Shade's only scorer during that time, while Doolin converted 3 and Compton one for Navarro.

In the third, Henderson and Doolin got hot and pushed Rural Shade's earnings to 13, while Vincent, Compton and F. Doolin were paying off for Navarro. The latter team was leading 23-13 when the third was all over.

Henderson and Griffiths were the champions' scorers in the closing stanza, while W. Doolin and Vincent converted for Navarro to make the score stand 26-16 at the final curtain was rung down. The final curtain was largely the stellar guarding of Navarro that kept the ball worked back, and nullified Rural Shade's scoring threat during the contest. Rural Shade was

Following are the box scores of last night's games:

Navarro Girls vs. Mildred Girls	Navarro	Mildred
Chambliss	10	3
Phillips	3	1
Hinton	0	2
L. Chambliss	0	1
Gandy	0	1
Compton	0	1
Totals	13	10

Navarro 28, Rural Shade 16	Navarro	Rural Shade
Vincent	4	0

Conner	0	0
F. Doolin	6	0
Maxwell	1	0
W. Doolin	1	1
Totals	13	1

## Y ACES CAPTURE FIRST GAME FROM RICE IN PLAYOFF

Led by Cecil Hobbs who personally accounted for 15 points, the Y. Aces took the first game of the Y. M. C. A. Independent League play-off from Rice Independents on the Y. court 40-11 Monday night. The second game of the Y. Aces and Rice game will be played at 8 o'clock, and in the event a third game is necessary it will be some time next week.

The Aces have met Rice four times this year, and have accounted for 162 points to Rice's 90. Rice, however, won one game from the Aces, 36-24.

Harold Green was second scorer last night with six field goals for 12 points for the Aces. R. Hobbs and Elbert divided for Rice with four each.

Following is the box score of last night's game:

Aces 40, Rice 11	Aces	Rice
Player	Fg	Pt
Ferrill	3	2
Crouch	0	0
Green	6	0
C. Hobbs	7	1
T. G. Pollard	2	1
Totals	18	4

## Drawings Cinched Navarro County Team in Finals

### District 11 University of Texas Interscholastic League, basketball tournament will get under way at Hillsboro Thursday night.

There are six clubs in the tournament and with two games scheduled for Thursday night, the semi-finals will meet Friday night. The championship game will be played Saturday night.

With the drawing for places at Hillsboro Wednesday night by the coaches and officials, the two Navarro county clubs—Corsicana and Rural Shade—drew byes and will meet Friday night.

Games called for Thursday night include: Fairfield vs. Ellis county; Cranfills Gap, Rose county; and Burleson, Johnson county, vs. Bynum, Hill county champion.

Rural Shade won the Navarro county interscholastic league here while Corsicana goes directly to the district competition. The Tigers are the defending champions of the district, having nosed Earlewell out in the finals last winter.

Rural Shade and Corsicana have fine basketball clubs, but are not ranked with the strong Bardwell club. Rural Shade wanted a place at the Corsicana Tigers and the chance will be available Friday night at 8:30 o'clock in the Hillsboro gymnasium.

Dopesters are favoring Corsicana to win over Rural Shade while Bardwell is regarded as an almost clinch to go to the finals in the district competition.

Navarro county clubs receive breaks when both draw byes and are pitted against each other, cinching a Navarro county club to go to the district championship tilt.

Coach J. F. Gardner announced Thursday morning that the club would be in good condition for Friday night's engagement with Rural Shade while the county champion will be out for its first district tilt as this is the first time Rural Shade won the right to go to the district meet.

The Rural Shade club playing without the services of one of the star performers, dropped a practice game to the Navarro county champions Tuesday night and this defeat has caused the club to train hard and conscientiously this week. Nothing would suit the southeastern Navarro county lads than to win the district championship engagement.

## FAIRFIELD EAGLES CAPTURE FREESTONE COUNTY CAGE TITLE

FAIRFIELD, Feb. 22.—(Sp.)—Captain Clair (Socking) Ivy notched his Eagle quintet safely through one of the stormiest games of his career by nosing out the Freestone county championship Friday afternoon, by a score of 13-7. The Lions and Eagles went in to the game playing with every trick and play they knew each other, but the Eagles were victorious. At the end of the first quarter the Lions were leading by a score of 6-3, and at the half they were still in the lead, 7-6. After a ten-minute rest, the Eagles returned to the court with their feathers up to score 12 points to the Lions' 10.

Glazener was high point man with eight points, followed by Green with seven. The Eagles' Smith and Owens were Teague's outstanding players for the Lions. The Eagles will go to Temple Friday and Saturday to take part in the district meet. Fairfield and Temple will play the third game of the meet Friday at 4 o'clock.

The Eagles close their season's work with a very good record. Out of the 31 games played during the season, they won 20 and lost 11, a total of 81 points to their opponents' 721. Captain Ivy has the honor of being high point man of the season with 363 points.

## Nine Teams Enter Invitation Tourney In Blooming Grove

BLOOMING GROVE, Feb. 23.—(Sp.)—Nine teams are on the dotted line for the Blooming Grove Independent Invitation basketball tournament that will be run off here Thursday and Friday nights, Feb. 23-24. Drawings for places were held Wednesday night at which time the schedule for first round games was drawn up.

Those entering are Irenco, Slays, Hamrick, Bryan, Italy, Emmett, Lone Cedar and Blooming Grove.

Games will be played at night only, with the first game beginning at 7 o'clock. Appropriate trophies will be given the winning team.

## Corsicanans Present Pursley Rabbit Drive

Several Corsicanans were guests of Fred Copeland during the week end at a rabbit hunt in the Pursley community and reported 102 rabbits bagged during the drive.

There were 76 men and boys on hand and all report a fine time.

Included in the party from Corsicana were Byron Chavon, Calhoun, Red Konner, Mortie Hedrick, Horace Tilton, Claude Carson, Newton Carson, Conway Younger, Odie Owen, Walter Beaton and a number of others.

## STATES SEEKING HONOR BEING FIRST TO APPROVE REPEAL

### ROOSEVELT PLEASSED WITH CONGRESS ACTION; WANTS BEER LEGALIZED NOW

WASHINGTON, Feb. 21.—(P)—Copies of the resolution for the repeal of the prohibition amendment, together with covering letter, were sent to the 48 governors by Secretary Stimson this afternoon.

The communications were sent by registered mail and those which would not reach a governor in 24 hours by ordinary mail were airmailed.

The letter of the secretary of state accompanying the certified copies of the resolution said: "It is requested that you cause this joint resolution to be submitted to a convention in your state for such action as may be had and that a certified copy of such action be communicated to the secretary of state as required by section 160, title 5, U. S. code."

## EIGHTY-ONE DIE IN RUBBER PLANT BLAST SHANGHAI

SHANGHAI, Feb. 21.—(P)—Eighty-one persons were killed, 120 were injured and 100 were missing today after an explosion in two gasoline vulcanizers in a Chinese rubber factory in East Shanghai.

Of the 120 injured, 50 were taken to hospitals and the remainder escaped with only slight injuries.

These figures appeared to be the total of the blast as rescuers virtually completed a search of the ruins. Police had believed earlier that the death toll might reach 200.

Of the known dead 79 were girls and two men.

The bodies of the victims were placed in a vacant lot near the factory while relatives sought to identify them. Virtually all the bodies were badly burned.

A number of the injured taken to hospitals were reported gravely burned and it was feared some of them would die. Searchers dugging into the ruins said they expected to find the bodies of ten missing persons buried there.

Police said they had not been able to determine the cause of the blast. The owner of the factory disappeared, apparently fearing, the police said, damage claims from relatives of the victims.

Will Challenge Action.

WASHINGTON, Feb. 21.—(P)—Edward E. Dunford, general counsel of the Anti-Saloon League, said today his organization would immediately challenge in court any law passed by congress "to set up or regulate" state conventions to vote on repeal of the 18th amendment.

Dunford expressed the opinion that the constitution provided for by state legislatures would be constitutional, but challenged the constitutionality of any act by congress to establish conventions.

## YOUNG CORBETT IS WINNER OF WELTER TITLE WEDNESDAY

### ROUNDLY DEFEATS JACKIE FIELDS IN ENCOUNTER AT SAN FRANCISCO

SAN FRANCISCO, Feb. 23.—(P)—Young Corbett, the third, looked over the welterweight ranks today as the champion of a division in which he has been the most persistent challenger the last three years.

The Fresno, Calif., left hander became the ruler of the 147-pound class by decisively defeating Jackie Fields in a 10-round bout here yesterday.

With a dazzling early attack that won him five rounds before his opponent got started, Corbett piled up an advantage that left no doubt in the minds of 15,000 fans as to his superiority. There was no dissenting voices when Referee Jack Kennedy raised Corbett's arm.

Timing somewhat in the eighth and ninth rounds, Corbett finished with a rally that left Fields dazed and leg weary. Fifteen seconds before the end of the tenth round, he drove into Fields with rights and lefts that forced the latter to give ground. While the crowd cheered, Corbett landed three heavy lefts to the chin and scored twice with right handers to the body without Fields making return.

Corbett fought his battle along well laid plans. He drove in the first blow, a left to the body, and continued to beat his rival to the punch until midway of the fight. He punched Fields in the third with a left to the jaw and was far out in front in the fourth and fifth sessions.

Just when Corbett's backers were beginning to predict a knockout, Fields found the range. The new title holder is of Italian parentage, his real name being Raffaele Giordano. He is 27 years old, has been fighting for nearly 10 years and in 141 matches has lost but two decisions and never has been knocked out.

The gate receipts totaled \$56,000 gross and \$48,800 net. Fields received \$35,000 and Corbett \$4,000.

## Annual Chamber Commerce Banquet Be Held Tonight

Everything was announced in readiness Thursday for the annual meeting of the Corsicana Chamber of Commerce at the high school cafeteria at 7:30 p. m. Directors of the chamber for the ensuing year will be named at the close of the program of the evening.

Reservations for the affair were closed at noon Wednesday and a good attendance is anticipated.

Vice-Presidents in charge of the various chamber activities will be the principal speakers of the evening.

## NEW SPEED RECORD MADE BY CAMPBELL AT DAYTONA BEACH

### ENGLISH RACE CAR DRIVER DASHED OVER COURSE AT 272.108 MILES AN HOUR

DAYTONA BEACH, Fla., Feb. 22.—(P)—Sir Malcolm Campbell, famous British race car driver, today cracked the world's automobile speed record wide open in a thrilling, breath-taking dash over the sands of the beach speedway here.

In two blistering runs over the hard-packed sands, the intrepid 48-year-old race car driver attained the speed of 272.108 miles an hour over an officially measured mile course for a new land speed record.

On the first of two runs across the sand, Campbell was clocked at a speed of 273.556 miles an hour, and on his second trial at a clip of 270.878 for an average two-way record of 274.108 miles an hour.

On his runs, Campbell exceeded by 18.140 miles an hour his old world record of 255.958, established here a year ago.

Striking across the beach on his first trial, Campbell was clocked over the measured mile in 13.16 seconds and on his second run over that distance at 13.60 seconds for an average elapsed time of 13.33 seconds.

At the same time Campbell established a new land speed record over the mile, he also set up a new mark of 217.636 miles an hour over a one-kilometer route, which is approximately five-eighths of a mile. His previous record for that distance was 251.340.

On his first run, the racer was clocked at 8.18 seconds over the kilometer, for a speed of 271.503 miles an hour, and on his second run over that distance at 8.24 seconds for a speed of 271.472. His average elapsed time over the kilometer was 8.235 seconds and his average speed 271.636 miles an hour.

Conditions Not Ideal.

Although the beach and visibility were none too good, Campbell, who had been forced to delay his record attempt for two weeks because of unfavorable conditions, decided to make his trials today after the beach had improved, rather than risk another postponement.

After waiting for more than an hour for a light mist to clear, Campbell suddenly started the motor of his giant machine and immediately began his epochal runs across the sand.

Taking a four-mile rolling start the famous racer quickly threw his car into high gear, shoved the accelerator of the 12-cylinder airplane motor toward the floorboard and was off on a terrific burst of speed.

Rapidly gaining momentum, the car approached top speed as it neared the officially measured mile, and in only a few seconds it streaked past the timing tower to disappear in a light haze at the south end of the course.

Because the visibility was so poor, spectators at the timing tower and grand stand were unable to see the speeding machine until it was only a mile away.

Faster and faster the hurrying car sped, and with a terrific roar it flashed past the stands to gradually come to stop four miles south down the course.

Jumping out of the cockpit, Campbell hastily inspected his car, gave official word he was ready to start his second run, and in an instant was off again on another mad dash north.

Thousands of spectators, who lined the sand dunes parallel to the 12-mile course, watched the record runs.

In computing Campbell's record speed racing officials averaged his elapsed time for the two trials and divided that average into 3,600, the number of seconds in an hour. They explained that that procedure was the most accurate system to determine the average speed in miles per hour.

## CORSICANA WOMAN MAIN SPEAKER FOR FREESTONE P. T. A.

### FAIRFIELD, Feb. 23.—(Sp.)—Mrs. A. W. Rogers, first vice-president of the Corsicana Junior high school parent-teacher association, will be one of the principal speakers at the Freestone county P. T. A. council meeting at Streetman, Saturday, Feb. 25.

The council will be in an all-day session.

Following is the day's program:

Mrs. Oscar Johnson, of Dew, president will preside.

Song: America.

Invocation, Rev. John Shaddix, Streetman.

Welcome Address, John H. thorn, Streetman.

Response: Prof. Johnston, Dew.

Solo: Miss Katherine Steward, Humane Education; Miss Weaver, Tongue.

Report of Health Chairman: Mrs. Lex Smith.

Noon.

Song: Report of Officers.

Parent Education: Mrs. A. W. Rogers, first vice-president Corsicana Junior high school parent teacher association.

Acceptance of Assn. Officers.

Award of Humane Poster Prizes.

Business.

Report of Nominating Committee.

Invitation for fall meeting.

Resolutions.

Adjournment.

## AMERICAN DIES OF KNIFE WOUNDS IN HOTEL IN JAVA

SURAKARTA, Java, Feb. 23.—(P)—Mrs. John R. Fell, wife of a Philadelphia sportsman who died of a knife wound in a local hotel last night, told police today that his last words were: "It's my fault, I did it."

He had no business or domestic worries, Mrs. Fell told the police, and she knew of nothing which might explain a suicide.

John R. Fell, clubman, and sportsman of Philadelphia and New York who is dead in Java, was on a world tour with his third wife, the former Dorothy Ederton, an actress whom he married in January, last year.

He was born in Philadelphia, a son of the late Mrs. Alexander Van Rensselaer and her first husband, John R. Fell. His grandfather was the late Anthony J. Drexel. In the years just before the war he was well known as a polo player. His career as a horseman took him to Europe and in 1913 he had an entry in the grand national steeplechase. He sold his ponies in 1916.

Mrs. Fell's first wife, the former Dorothy Randolph, is now the wife of Ogden L. Mills, secretary of the treasury. They had three children, John R. Fell, Jr., of New York, and Philip S. P. Fell and Dorothy Fell, who live with their mother. Mr. Fell was 43.

## ROOSEVELT NAMES HULL AND WOODIN TO CABINET POSTS

### WORLD ECONOMIC MATTERS TURNED OVER TO NEWLY ANNOUNCED SECRETARIES

(Copyright, 1933, by the Associated Press.)  
WASHINGTON, Feb. 22.—(AP)—Word reached informed quarters in Washington today that President-elect Roosevelt had completed selection of his cabinet, and that the list contains a surprise—Daniel C. Roper of South Carolina for secretary of commerce.

The information was that Homer Cummings of Connecticut was to be governor-general of the Philippines, regarded generally as the highest appointive office outside the cabinet.

The complete cabinet slate, as it is expected by Democrats here, is expected shortly by Mr. Roosevelt, follows:

State—Cordell Hull of Tennessee.

Treasury—William Woodin of Pennsylvania and New York.

War—George H. Dern of Utah.

Justice—Thomas J. Walsh of Montana.

Post Office—James A. Farley of New York.

Navy—Claude A. Swanson of Virginia.

Interior—Harold Ickes of Illinois.

Agriculture—Henry A. Wallace of Iowa.

Commerce—Daniel C. Roper of South Carolina.

Labor—Miss Frances Perkins of New York.

Selection of Ickes, a political ally of Senator Hiram Johnson, the Progressive Republican leader of California, is hailed here as a tangible recognition of that Western Republican insurgent wing which bolted Hoover in last year's campaign and helped elect the Democratic ticket.

Roper is a former commissioner of internal revenue under Woodrow Wilson, and has been known as an important political supporter of William G. McAdoo in McAdoo's candidacy for the Democratic presidential nomination. He is a lawyer.

Since his previous government service, which included a term as vice chairman of the tariff commission and first assistant postmaster general, he has resided in Washington as head of a firm of practicing attorneys.

Homer Cummings, reported selected for governor general of the Philippines, was chairman of the Democratic national committee in 1920. He also is a former chief of supporters for the presidential nomination in 1932.

By FRANCIS M. STEPHENSON  
NEW YORK, Feb. 22.—(AP)—His groundwork laid for a wide economic revival, President-elect Roosevelt turned the job over today to his newly announced secretaries of state and treasury.

Senator Cordell Hull of Tennessee and William H. Woodin of New York, respectively.

These friends were announced last night by Mr. Roosevelt as his two dependable lieutenants in negotiations he is about to undertake for world monetary stabilization, tariff reciprocity and war debts relief.

The naming of Hull and Woodin as the premier officers in the Roosevelt cabinet came suddenly at the end of two days of conversations by the President-elect with the official emissaries of Great Britain, France and Canada.

In these conversations, Mr. Roosevelt arranged for an early world economic parity which he intends to carry out by his program for international rehabilitation before he takes up the subject of war debts relief.

The following are regarded also as certain in the Roosevelt cabinet:

Attorney general—Senator Walsh of Montana.

Postmaster general—James A. Farley of New York.

Secretary of navy—Senator Swanson of Virginia.

Secretary of agriculture—Henry Wallace, Jr., of Iowa.

Secretary of labor—Miss Frances Perkins of New York.

Today Mr. Roosevelt turned toward Hyde Park, New York, the family estate on the Hudson river 75 miles north, where he will spend most of his time before inauguration.

Both Easily Approachable.

Senator Hull, the next secretary of state, and Mr. Woodin, the new secretary of treasury, are both over the 60-year mark and both two of the most approachable men in public life.

Senator Hull has spent most of his mature years in Congress, serving for years in the house and advancing to the senate in 1930. He is regarded on Capitol Hill as an authority on the tariff and finance—the two subjects which will occupy him most in the next year.

Mr. Woodin, a genius in the business world, judged by his success, is just as amiable and just as astute in the field of finance. He is president of the American Car and Foundry company and a member of several other successful corporations. Also, he is a musician.

Former Republican.

Woodin, a Republican in his early days, supported both Alfred E. Smith and Franklin D. Roosevelt in 1932.

He is now busy divesting himself of his many business connections and taking over the company debts and economic problems with Senator Hull. Woodin is most definitely regarded as a "young money" man as was Senator Glass of Virginia, who was considered.

The names of Philip La Follette, former governor of Wisconsin, and Harold Ickes of Illinois, both Republican independents, stand prominently in the picture for secretary of interior.

For secretary of war, it appears that Mr. Roosevelt is scanning the field with Senator Butler of Ohio, Senator Dingley of Kentucky, James Thompson of New Orleans, publisher, and Joe Kennedy, of Massachusetts most prominently mentioned.

As for secretary of commerce, the cabinet makers are considering the name of Robert Dunham, of

## Bill Introduced Elect Delegates Convention 1934

### CRUDELY WRAPPED PACKAGE ADDRESSED PRESIDENT-ELECT AT WASHINGTON

AUSTIN, Feb. 21.—(AP)—Senators George Puri of Dallas and Walter Woodward of Coleman introduced a bill in the Texas senate today to provide for selection of delegates in the primaries and general election of 1934 to a state convention to consider ratification of repeal of the 18th amendment.

Senator Woodward said the purpose of the bill was to give the people of Texas a referendum vote on the question of prohibition repeal. Candidates for delegates to the convention would be on the same ticket with candidates for office.

Woodward stated that the method proposed by Senator Puri and himself would prevent the "knock-down-drag-out" confusion that probably would be attendant on any precinct and county conventions.

It was understood that a group in the house was preparing a bill that would place with the governor authority to call state conventions to consider ratification of amendments to the federal constitution any time the congress submits one.

Representative P. L. Anderson of San Antonio, one of the leaders of the house anti-prohibition bloc, immediately announced his opposition to the Puri-Woodward bill. Anderson was at work on a bill to provide for precinct, county and state conventions this year to pass on ratification of repeal of the 18th amendment.

Section one of the Puri-Woodward bill provides as follows:

"Hereafter, when delegates are to be elected to a convention to be held in this state for the purpose of considering the question of ratification of an amendment to the constitution of the United States, such delegates shall be chosen by the first Tuesday after the first Monday in November, 1934, and every two years thereafter, in the same manner and subject to the same regulations as may be provided for the election of candidates for governor and other state officers and for district and county officers."

The bill would call for nomination of delegates in the political party primaries. Voters in the general election would select from the Republican, Democratic and independent candidates for delegates.

Section three of the bill reads as follows: "Candidates for delegates to any convention called in this state for the purpose of passing upon the question of ratification of an amendment to the constitution of the United States, or any party whose nominee for governor in the next general election received less than 10,000 votes, shall be nominated in the same manner as candidates for state, district and county offices are nominated by such parties."

Chicago, a caller here yesterday, is mentioned.

Praise For Selections.

WASHINGTON, Feb. 22.—(AP)—A chorus of praise for Franklin D. Roosevelt's selection of Senator Cordell Hull and William H. Woodin to guide the nation through its economic problems and foreign relations and finances during the next four years emanated today from leading Democrats.

A statement by Roosevelt of his selection of Hull for secretary of state and of Woodin to head the treasury department created no surprise at the capital.

Numbers of independent Republicans joined with the Democrats in voicing approval of the appointments. An indication that Roosevelt also had pleased the liberal as well as the conservative wing of the party was given in an endorsement of the selections by Senator Long (D., La.).

France Delighted.

PARIS, Feb. 22.—(AP)—Hearty reception was accorded by official quarters to a report that President-elect Roosevelt of the United States had announced that his newly named secretary of state, Cordell Hull, would confer with Ambassador Claudel soon.

A foreign office spokesman welcomed the pre-inaugural conversations as having a war debt solution although it was expected the negotiations would be long and delicate. He said he was particularly pleased that Mr. Roosevelt was willing to discuss debts.

Berlin Pleased.

BERLIN, Feb. 22.—(AP)—The appointment of Senator Cordell Hull and William H. Woodin to cabinet posts in the United States was regarded hopefully today in political circles.

The official comment on the appointment was withheld as far as the personalities of the men were concerned, it was pointed out that the fact President-elect Roosevelt had chosen one of the senate's foremost experts on tariff question and one of the most prominent businessmen in the United States as his closest collaborators was regarded as satisfactory indication that the administration has a clear conception of the necessities of the times in this international crisis.

Negro Sentenced For Rape and Incest

Will Collins, negro, entered pleas of guilty to indictments for rape and incest in the Thirtieth judicial district court Thursday and was given two year sentence in the penitentiary in each case.

The willing workers of Peety's Chapel are presenting the play "The Path Across the Hill" at Chaffield, Friday, Feb. 24th, benefit of the cemetery. Admission 5c and 10c.

Use a Daily Sun Want Ad for quick results.

## ANOTHER ATTEMPT ON LIFE OF ROOSEVELT MADE THROUGH MAIL

### CRUDELY WRAPPED PACKAGE ADDRESSED PRESIDENT-ELECT AT WASHINGTON

WASHINGTON, Feb. 22.—(AP)—Secret service men were off again today on the trail of a man who apparently sought the life of President-elect Roosevelt.

A shotgun shell, crudely wrapped in paper, which it could explode if handled judiciously, was found in a package in the Washington postoffice addressed to "Franklin D. Roosevelt, Washington, D. C."

It was postmarked Watertown, N. Y., and postal authorities began an immediate investigation in New York. Whether they had any definite clues to the sender, the police were not sure.

The secret service, which is specifically charged with the duty of protecting the president, was not immediately notified, but W. V. Egan, chief of that service, instituted an investigation.

The fact that the postal inspector did not immediately report the matter to the secret service was taken by officials of the latter organization to indicate the case did not present "an acute danger" to the president-elect.

Since the Miami incident in which five persons were wounded by Giuseppe Zanzara in an attempt on the life of the president-elect, the secret service has put on extra precautions against all methods in which attempts might be made on Mr. Roosevelt's life.

The shotgun shell was found when the package tumbled from a mail sack and burst open. Officials of the apparently "live" shotgun shell found here, postoffice officials speculated that the chances of its exploding were "about one in ten," but said its explosion would be a certainty if it were dropped perpendicularly.

Officers of the naval ordnance bureau who are usually charged with the destruction of such explosives expressed doubt that the shell would have had deadly effect even if exploded at close range.

They said it would take a genius at explosives to rig a shotgun shell in such a manner as to inflict fatal injuries.

The contrivance consisted of a wire bent in the form of the letter "C" and fastened to the shaft as to cause the percussion cap to rest against the top of the hook. The shell was loaded with number nine shot.

The package was of flimsy paper, loosely tied with cotton string.

The address was in poor handwriting and the package contained a message which postal authorities declined to make public.

Postal authorities expressed belief that the package was dropped in a box at Watertown. They said the package was in such condition that no clerk would have accepted it.

Expected Take Jehol City.

This was the principal obstacle to their proposed advance of more than 150 miles to Jehol City, the metropolitan and capital of Opting, a Japanese-occupied city. Japanese would be right outside the walls of that former summer residence of Manchukuo emperors by the middle of next week.

When he was slain and wounded during the movement of the Japanese along the Chinchow-Peipiao railway in the past few days, the Japanese command had insisted that the "red fighting" will not begin until midnight.

General Chank Kai-Peng, a former bandit leader whose name meant terror to many communities was leading the advance. He had the north. Native Manchukuo troops were in the forefront of both drives, aimed to bring Jehol under the rule of that government in a year ago.

Chinese Army Near Kaifu.

A Chinese army of 47,000 was concentrated in the Kaifu area, hanging together despite confusion and bombardment by the Japanese during recent weeks. Each section of the Japanese offensive is estimated at only about half that size. Their planes and modern equipment, however, are in their favor.

Japanese promises of work and food in return for allegiance to the state of Manchukuo were reportedly winning groat of irregular Chinese troops to the Japanese side.

Late Japanese reports disclosed that the advance over the Chinchow-Peipiao railway met with strong opposition.

It was reported that the Japanese did not mention any fighting. The Japanese conceded later that there were casualties on both sides.

Fighting was reported with Generalissimo Chiang Kai-shek's army near Peipiao but the Japanese insisted the Chinese deserted the latter city before the Japanese troops arrived.

Any news actually held by the Chinese were expected to be cleaned up after Jehol City is reached.

U. S. Officer Goes to Jehol

PEIPING, Feb. 23.—(AP)—Colonel Walter S. Drysdale, United States military attaché here, left for Jehol today as an observer of the hostilities there between China and Japan.

The colonel was one of the joint commission of foreign residents who supervised the withdrawal of Japanese troops from Shanghai last January.

Chinese Troops on March

SHANGHAI, Feb. 23.—(AP)—Japanese dispatches from Chinchow tonight said two divisions of Chinese troops concentrated south of Shanghai were on the march northward "preparatory to entering Jehol."

Advance Reported Started.

CHANCHUNG, Manchuria, Feb. 23.—(AP)—General Chang Hai-Peng, commanding the army of Manchukuo, began an advance against Chinese forces occupying the province of Jehol at midnight Wednesday.

Many Americans In Threatened War Area

WASHINGTON, Feb. 23.—(AP)—To establish a military base in North China which threatens to become involved in Sino-Japanese fighting number approximately 3,000, most of whom are in Peiping and Tientsin.

There are 544 marines guarding the American legation compound in Peiping and 778 members of the Fifteenth infantry stationed at Tientsin and scattered along the railway leading from the city to Shanhaikwan and to Peiping.

The Tientsin-Shanhaikwan railway is the line connecting North China with the rest of the world. It has been cut by the Chinese South of Shanhaikwan to prevent the Japanese from using it in a possible movement into North China.

In Peiping there is a small civilian population of approximately 700. Among these are many teachers, missionaries and doctors connected with the Peiping Union Medical college, which was established as a medical center for China by the Rockefeller foundation.

American civilians at Tientsin are chiefly businessmen and with their families number approximately 400. American banks, travel agencies, importing companies and steamship companies have agencies there.

## Tiger Coats to Be Presented At Chapel Tuesday

### SMITH COTTON AID BILL PRIVILEGED BY RULES COMMITTEE

WASHINGTON, Feb. 23.—(AP)—Legislative preference was given the Smith cotton aid bill today by the house rules committee, indicating the Democratic house leadership plans a drive for its approval at this session. It has been passed by the senate.

The Stegall bill to provide for postponement of the payment of installments due on loans made by the Federal land banks also was granted legislative right of way.

This bill, already reported by the house banking committee, would grant a moratorium not to exceed five years to any borrower, who has obtained a loan from a federal land bank on unpaid installments.

The land banks would be authorized to use the balance of the \$125,000,000 voted by congress last year, in carrying out the extension of loans or the making of new loans.

Gladewater Gets Two Additional Oil Refineries

LONGVIEW, Feb. 23.—(AP)—W. C. Goforth and H. D. Landers, Oklahoma City oil men, and A. B. Foshee of Gladewater, a veteran operator in the East Texas field, today announced plans for construction of two refineries in the West Grege county area.

Goforth and Landers planned a \$100,000 refinery with a capacity of 2,500 barrels daily on the Taylor lease, immediately East of Gladewater where the company owns 53 acres of oil lease and six producing wells.

The Foshee Refinery, to cost \$25,000, will be inside the Western limits of Gladewater, and on both projects will start at once.

WOODIN

(Continued From Page 1)

he will inspect the treasury department.

The afternoon he is to attend the regular weekly meeting of the federal reserve directors.

Most important of the positions from which Woodin will disassociate himself did not use the word "resign" as those as head of the American Car and Foundry company and numerous of its subsidiaries.

Dern Is Appointed.

HYDE PARK, N. Y., Feb. 23.—(AP)—President-elect Roosevelt today named George H. Dern of Utah as secretary of war.

Roosevelt, who did not use the word "resign" as those as head of the American Car and Foundry company and numerous of its subsidiaries.

Dern Accepts War Place.

SALT LAKE CITY, Utah, Feb. 23.—(AP)—Former Governor George H. Dern, of Utah, has been offered the post of secretary of war by President-elect Roosevelt and has accepted, it was announced at his residence here today.

Mrs. Dern told newspaper representatives that President-elect Roosevelt had talked with the former governor over long distance telephone from Hyde Park, N. Y., this morning, offering him the post, and said he had agreed to serve.

Mr. Dern was asleep at the time the announcement was made, it being explained that he had been up much of the night.

Ambassador to London.

WASHINGTON, Feb. 23.—(AP)—Official circles here heard today that Robert W. Bingham, the Louisville, Ky., publisher, definitely had been chosen by President-elect Roosevelt to be ambassador to London.

to the Province, was also reported. The Chinese reported postal and telegraph stations were destroyed in the town.

Chinese anti-aircraft guns prevented a similar assault on the Chaoyang postoffice from succeeding, the headquarters statement said.

U. S. Officer Goes to Jehol

PEIPING, Feb. 23.—(AP)—Colonel Walter S. Drysdale, United States military attaché here, left for Jehol today as an observer of the hostilities there between China and Japan.

The colonel was one of the joint commission of foreign residents who supervised the withdrawal of Japanese troops from Shanghai last January.

Chinese Troops on March

SHANGHAI, Feb. 23.—(AP)—Japanese dispatches from Chinchow tonight said two divisions of Chinese troops concentrated south of Shanghai were on the march northward "preparatory to entering Jehol."

Advance Reported Started.

CHANCHUNG, Manchuria, Feb. 23.—(AP)—General Chang Hai-Peng, commanding the army of Manchukuo, began an advance against Chinese forces occupying the province of Jehol at midnight Wednesday.

Many Americans In Threatened War Area

WASHINGTON, Feb. 23.—(AP)—To establish a military base in North China which threatens to become involved in Sino-Japanese fighting number approximately 3,000, most of whom are in Peiping and Tientsin.

## SMITH COTTON AID BILL PRIVILEGED BY RULES COMMITTEE

### Judge Tells Man Pleading Guilty Protect Others

WASHINGTON, Feb. 23.—(AP)—"I don't believe you are guilty of this charge, and believe you are taking the rap for some one else, but that's your business."

This statement was made by Judge of the Thirtieth judicial district court, here Thursday morning as he concluded his formal sentencing of Alonzo Honea, charged by indictment with the alleged violation of the prohibition laws.

The defendant entered a plea of guilty to the liquor indictment and was given a two-year suspended sentence by a jury.

"I know something about the liquor business, and I know you, too, and don't believe you are guilty," the district judge said.

Indictments returned against two brothers of the defendant in connection with the same raid will in all probability be dismissed as the defendant Thursday admitted all responsibility and admitted the ownership of the liquor found.

The indictments were returned last week.

REPEAL

(Continued From Page 1)

of ratifying or rejecting the proposed amendment to the constitution of the United States contained in the joint resolution of February 20, 1933."

It asks that "particular consideration" be given to the question whether such provision should be made for such action by the enactment of the congress or by legislative action of the several states.

Arkansas Plans Repeal Convention

LITTLE ROCK, Ark., Feb. 23.—(AP)—Two proposals, one of them sponsored by Dr. A. A. Millar, president of the Arkansas Anti-Saloon League, have been advanced as to what type of state convention shall call Arkansas vote on whether the 18th amendment should be repealed.

The Millar proposal introduced in the Arkansas house and senate yesterday, would provide for the election of nine delegates to be instructed by popular referendum how to cast their votes.

A bill, drafted by a special committee and ready for introduction on July 18 to attend a convention at Little Rock.

Representative Leo Nyberg of Helena who was named chairman of the special house committee appointed under his resolution, is the author of a bill introduced in the house which provides for the sale under a county dispensary system of light wines and beer of an alcoholic content prescribed by congress.

When Nyberg's commission was named by Speaker Toney yesterday, Representative Gooch of Cross county, rose and shouted: "There's not a dry in the bunch."

I. T. and T. Head Witness

WASHINGTON, Feb. 23.—(AP)—Colonel Sosthenes Behn, president of the International Telephone and Telegraph company, today recommended to the senate finance committee as a business spur the formulation of reciprocal agreements between nations to restore international trade.

Behn's views were given to the committee in a statement presented at an executive session, in his study of ways and means to offset economic ill.

He advocated a balanced budget and told committee members branch banking was necessary to build up a sound and stable banking system.

Committee members said he did not touch on currency inflation or similar questions.

To Consider Report on Judge.

WASHINGTON, Feb. 23.—(AP)—Speaker Garner today said the house would consider the report of the judiciary committee's investigation of the official conduct of Federal Judge Harold C. Louderback of San Francisco, Calif., as the next major item on its program.

The majority report, recommending that the judge be censured for his conduct and the minority report recommending that he be impeached are to be brought up probably tomorrow.

The navy supply bill now is before the house due for passage either late today or early tomorrow.

Louderback's conduct in connection with receivership cases was the subject of an exhaustive investigation by the committee.

Representative LaGuardia (R., N. Y.), filed the minority report, and Chairman Sumners that for the majority.

Named Federal Judge.

WASHINGTON, Feb. 23.—(AP)—Seth W. Richardson of North Dakota, an assistant attorney general, was named by President Hoover today to be a federal circuit judge for the eighth circuit succeeding Judge Arba S. Van Walenburgh, retired.

Misses Louise Estes of Edgewood spent the week-end with Mr. and Mrs. Jim Estes.

Miss Flora Nell Renfrow spent Saturday night with Mrs. M. L. Thompson of Cors

## NOTE ACCOMPANYING EXPLOSIVE SENT TO ROOSEVELT IS CLUE

### NOTE THREATENING PRESIDENT-ELECT ONLY BY IMPLICATION NOT MADE PUBLIC

WASHINGTON, Feb. 23.—(AP)—A note accompanying an explosive addressed to Franklin D. Roosevelt here was considered by federal agents today to be their chief clue in tracing the would-be assassin.

Found with a crudely made but potentially dangerous apparatus, the note was sent to New York postal inspectors to aid them in ascertaining who mailed the package to the President-elect from Watertown, New York.

While the note was not made public, postoffice officials said it threatened Mr. Roosevelt only by implication. It was written on a correspondence card of mediocre quality and placed in an unaddressed envelope.

The package containing a shotgun shell, with wiring shaped as a "J" over the cap, was discovered at the city postoffice Tuesday when it tumbled from a mail sack and burst open.

Postoffice and justice department investigators are believed to be working quietly on the case at Watertown.

Postal inspectors seeking the person who mailed a package containing a shot gun shell addressed to President-elect Roosevelt have learned that the package was mailed between 10 and 11 p. m. Sunday last. It was placed on the top of a mail box directly across the street from the postoffice.

Lagan J. Hannay, a substitute carrier, recalled taking it from the box to the postoffice and noting that it was addressed to the President-elect. It was too large to go into the box.

## BITTER DEBATE

(Continued From Page 1) Sheppard's views at that time met his own exactly, but that if Sheppard saw fit to depart from those views that it was his business.

From the Congressional Record, Moore said, quoting Sheppard: "Members of congress who will not vote for submission of a constitutional amendment to the states are in the position where it belongs, unless he personally believes it should become a part of the constitution, usurps the functions of the states and the federal government a prerogative that rightfully belongs to the states and violates the very essence of their sovereignty."

Moore I opposed on principles to nationwide prohibition, I would vote to submit it to the states in order that they might exercise one of their fundamental rights. The issue is thus presented by the nationwide amendment that is entirely independent of prohibition."

Moore was criticized by Few for standing before the house and questioning the democracy of men "who voted the democratic ticket when your wardrobe consisted solely of a three cornered garment."

"I'll be supporting the democratic party when those same men are pushing up the daisies," Moore replied, denying he was questioning anybody's allegiance.

"I was their simple duty to vote on the prohibition question, wasn't it?" queried Representative C. W. Winnimurn of Mexico. "Then why should we commend them for it?"

Representative Gordon Burns of Huntsville, who offered the amendment to commend the entire Texas delegation, asserted the omission of the members who voted against submission was a "back-handed slap at them" and was saying they were "traitors to the democratic party."

"If there was an iron clad rule in politics whereby no one broke over, the democrats would not have elected the next congress and would not have elected a president," he said. "Are we going to say to Wright Patman, who stood in the face of Andrew Mellon and drove him out of the country, that he is a traitor to his party?"

## HOUSE BILLS

(Continued From Page 1) action after other members of the group came into the meeting. Holbrook later adjourned the meeting without any decision having been made.

Members of the house committee on revenue and taxation considered recommending a combination income and sales tax system as a substitute for the ad valorem taxes.

The "blended" tax program under consideration was brought into the open during a hearing on the Hughes income tax bill. Certain members of the committee showed by their question that they "avored the combination plan."

Representative J. C. Duvall of Fort Worth, chairman of the committee, asked Dr. E. T. Miller, senior professor of economics in the University of Texas, if he believed a combination sales and income tax system would be fair.

Dr. Miller replied that the "blended" program would be greatly preferred to a sales tax only. He asserted that a sales tax should be imposed "only as a last resort."

Tom F. Hunter of Wichita Falls, candidate for governor last year, told the committee that additional taxes should be levied on the large corporations such as utilities and the major oil companies.

**Inaugural Party Expected to Visit Mrs. Garner's Tomb**

DALLAS, Feb. 23.—(AP)—Chambers of commerce of Paris, Clarksville and Detroit have joined in appointing reception committees and in arranging for automobiles to convey the passengers on the inaugural special train to the tomb of Mrs. Sarah Jane Garner in the Blossom Prairie cemetery when the party is en route to Washington.

Mrs. Harold Abrams, Dallas, vice chairman of the special, reported yesterday upon returning from Detroit, that plans were nearly completed for the visit to the grave of the mother of the vice-president-elect.

## Woman 101 Years Old Died Spring Hill On Saturday

SPRING HILL, Feb. 21.—(Spl.)—Mrs. Caroline (Grandmother) Cottongame, aged 101 years, died Saturday morning at the home of her daughter, Mrs. M. E. Jagers and the funeral was held at Spring Hill. The services were conducted by Revs. Sanders and Tyree of Dawson and Bud Sikes of near Blooming Grove.

Surviving are two sons, Will Cottongame, Kasea; John Cottongame, Dawson; a daughter, Mrs. M. E. Jagers, Spring Hill; 35 grandchildren, 100 great grandchildren, and 14 great-great-grandchildren.

## SEED AND FEED LOAN WORKERS TO MEET ON MONDAY

All workers who will be connected with the seed and feed loan applications from Navarro county have been summoned to attend a county-wide meeting at the Corsicana Chamber of Commerce Monday morning at 10:30 by E. M. Westbrook.

Those asked to attend the meeting are all members of the central committee, members of the community committees, and all seed and feed loan workers who will have anything to do with the making out of the applications.

It is anticipated that complete regulations and instructions as well as application blanks will be available at that time.

Officials announced Thursday that no applications for loans may be presented before next Monday.

## STATE REPEAL

(Continued From Page 1) posed ratification or were unpledged. It then would be a clear cut issue in each district, with the ballots carrying names of the candidates under group headings according to their convictions.

The Anderson bill directs that the convention shall assemble in the state capital at Austin on the twenty-eighth day after the election to cast its vote upon repeal.

It was expected that prohibitionists would attempt to have delegates elected from the state at large instead of by senatorial districts, feeling that while a majority of the districts might be for repeal a preponderance of the voters of the entire state possibly would oppose the change.

Anti-prohibitionists probably will argue the states rights doctrine, contending that ratification of repeal would be placing the question back to the sovereign states for disposition. Texas has both constitutional and statutory prohibition. It would be necessary to amend the state constitution by vote of the people and repeal existing prohibition statutes to change Texas' dry status.

## DR. WATSON

(Continued From Page 1) Presbyterian church and friends of the family.

Funeral arrangements are being directed by the Sutherland-McCammon Funeral Home.

**Treasury Figures.** WASHINGTON, Feb. 23.—(AP)—Treasury receipts for February 20 were \$5,462,751.62; expenditures \$30,037,036.68; balance \$296,810,655.83. Custom duties for 20 days of February \$11,858,256.00.

**Baby Died Last Night In Blooming Grove; Burial Today**

BLOOMING GROVE, Feb. 23.—(Spl.)—Margaret Ellis, ten months old daughter of Mr. and Mrs. M. R. Barton, died Wednesday night at 9 o'clock and funeral services were held at the Christian church Thursday afternoon at 3 o'clock. The services were conducted by Rev. Thomas Lenox, pastor of the First Christian church of Corsicana. Burial was in the White Church cemetery.

## SPRING STYLE REVUE AT DYER'S TUESDAY NIGHT BIG SUCCESS

LATEST MODES FOR SPRING AND SUMMER SHOWN BY POPULAR ESTABLISHMENT

A stunning array of the latest fashions for spring viewed by an audience from Corsicana and surrounding towns that jammed all the available floor space on the second floor combined to make the fashion revue presented by J. M. Dyer Co. last night one of the most successful ever given here.

Models for the evening were Miss Mary Grace Lott of Fairfield, Mrs. Frances Turner, Mrs. Joe Farmer, Mrs. Ed M. Polk, Jr., Mrs. Harvey Reese, Mrs. Carter Kivren, Jr., and Misses Frances Barton, Catherine Orr and Maurine Halbert. Introduced and flashed against a backdrop of severe black, the models promenade the entire double aisles of the second floor.

Shoes to complete the costumes were provided through the courtesy of Jolech Shoe Co., with lighting effects by Richard Scott Electric Co.

In an introductory announcement by J. M. Dyer, Jr., the fact was stressed that the fashions shown were not of the spectacular style but chosen to appeal to all women interested in the practical type combined with smartness as to style and color.

The silhouette of the season as projected by the succession of costumes was the Gibson-girl style, made more feminine by blouses and touches of organza and starched chiffon.

**Outstanding Costumes.** Outstanding among the costumes shown was a wool suit worn by Miss Mary Grace Lott, displaying the smart finger-tip length coat. The gray-blue suit was completed by a printed blouse and scarf worn Ascot fashion and slipped through the coat lapels. Miss Lott wore navy accessories.

A Milgrim frock, modeled by Mrs. Carter Kivren, Jr., was a striking example of street and semi afternoon costumes. Of rough black crepe the dress was highlighted with an organza ruche at the neck. Glass and crystal buttons and a cross-over half girldie fastened in the back with glass and crystal ornaments were unusually effective.

Plaid-in scarfs, in blouses, in suits and coats themselves, were prominently shown throughout the evening. Plaids, even in formal frocks were shown in a dinner gown worn by Miss Catherine Orr.

Of very rough crepe, the dress was patterned in a distinct plaid. Organza frilling made the caplet various sleeves.

**Shades of Blue.** Grey, navy and lighter shades of blue were featured in the display. Black was also very popular. One of the loveliest of the blue costumes was a coat and dress worn by Mrs. Frances Turner.

Soft fox fur band the detachable cape. Mrs. Turner wore a small turban of woven straw in grey with other accessories in grey. Black was spotlighted as a fashion favorite by Mrs. Ed M. Polk, Jr., wearing a black crepe dress with the boyish, vagabond cape sponsored by Lanvin for spring. The top of the dress was of very rough, pebbly white crepe fastened with huge bone buttons.

Also seen in the fashion promenade were the famous tweed swaggar coat, the dress with Maggy Rouff puffed sleeves, the Vivienne cape on dress, suit and coat, and the felt fedora and fez or cuffed turban in hats.

## SENATE TUESDAY VOTED SUBMIT FEE SYSTEM TO PEOPLE

CONSTITUTIONAL AMENDMENT ABOLISHING FEES SENT HOUSE FOR ACTION

AUSTIN, Feb. 21.—(AP)—The senate voted Tuesday, 31 to 9, to submit to the people a proposed constitutional amendment to provide for abolition of the fee system of compensating district, county and precinct officers.

The joint resolution now goes to the house. If two-thirds of the house membership approves it, the resolution will be voted on by the people in the general election next year.

The proposed constitutional amendment would place all officers on a salary basis except county surveyors public weighers, notaries public and precinct officers whose precincts do not include a city or town.

Considerable dissatisfaction with the fee system of remunerating officials had arisen within recent years. A fee investigating committee authorized by the last senate uncovered a large number of abuses of the system.

The senate also voted, 30 to 1, to submit a proposed constitutional amendment to permit the legislature to change the method of appointment of notaries public.

The senate engrossed three proposed constitutional amendments to increase the salaries of the governor and other state officers. The amendments were offered by Senator Walter Woodul of Houston.

The governor's salary would be increased from \$4,000 annually to \$4,500, that of the attorney general from \$4,000 to \$4,500, and that of each of the land commissioner, comptroller, and treasurer from \$2,500 to \$3,000. The votes were 23 to 6 on the governor's salary increase, 23 to 7 on the raise for the attorney general and 15 to 8 on the salary increases for the other officers.

Senator Archie Parr of Benavides introduced a bill to make an emergency appropriation of \$45,000 for the purchase of cattle dip material. Parr's bill also would appropriate \$4,000 for a fence between Fannia county and the Louisiana state line to prevent entry of tick infested cattle and for a fence between Houston and Trinity counties where necessary.

**Would Prevent Drilling.** Senator Walter Woodul of Houston offered a bill to permit the issuance of an injunction to prohibit subsurface drilling for oil upon application of an adjacent land owner claiming loss to minerals under his land. Woodul said his bill was intended to provide for protection against an unnecessary number of wells and wasteful, uneconomic and unscientific exploitation of a field.

Senator Grady Woodruff of Decatur sent up a bill to appropriate \$67,360.62 for back armory rentals. Much of the regular appropriation for the adjutant general's department for the current biennium was used for National Guard expenses in East Texas and the claims for armory rentals were left unpaid.

Senator W. R. Cousins of Beaumont offered a bill to provide that insurance could be written only by duly licensed resident local agents.

A bill by Senators Will D. Pace of Tyler and Margie E. Neal of Carthage would provide for an appropriation of \$6967 to pay the salaries of judges of the new district courts for Smith and Upshur counties.

Senator W. R. Cousins of Beaumont offered a bill to provide that insurance could be written only by duly licensed resident local agents.

## Blooming Grove Man Weds Waco Girl In Tuesday Morning

The following taken from the Waco News-Tribune, will be read with interest by the friends of the contracting parties, J. O. McSpadden, Jr., vice president of the First National Bank of Blooming Grove, and Miss Mary Ann Woodward of Waco, who has been teaching in the Blooming Grove school.

Before an improvised altar of palms, Miss Mary Ann Woodward became the bride of Justin O. McSpadden Jr., of Blooming Grove, in a ceremony performed at the Woodward home, 1829 Austin avenue, Tuesday morning with Rev. Gaston Hartsfield, pastor of Austin Avenue Methodist church, reading the marriage vows.

Preceding the ceremony, Miss Woodward's cousin, Miss Jim Kornegay of Mount Olive, N. C., accompanied at the piano by Mrs. W. G. Barrett a collection sang, "I Love You Truly." Miss Kornegay played the processional, and during the ceremony she played "To a Wild Rose."

Miss Mary Barrett attended her cousin as maid of honor. She wore a grey crepe ensemble with fur trimmings and carried black accessories. Her bouquet was of pink sweetpeas. Mr. McSpadden was attended by his brother-in-law, Fred Forrest, of Waxahachie, as best man.

Miss Woodward entered with her brother, D. Y. Woodward. She wore a hyacinth blue frock of sheer crepe. Her accessories were grey and she carried the handkerchief her mother carried in her wedding. Her arm bouquet was of pink rosebuds and lilacs of the valley.

Immediately after the ceremony, the couple left for a wedding trip. They will make their home in Blooming Grove where Mr. McSpadden is associated with a bank, and Mrs. McSpadden will continue to teach in the public school for the remainder of the season.

The bride is the daughter of Mrs. Willie B. Woodward of this city. She was graduated from Waco high school and Baylor university, and has been teaching in the public school at Blooming Grove for the last two years. The bridegroom

## NAVARRO COUNTY SCHOOL HEADS MET HERE ON TUESDAY

### ADOPT RESOLUTIONS RE- STATE SCHOOL HEADS SCHOOL HEADS MEET

Recommendations adopted at a meeting of the school heads and trustees of 30 of Texas' largest towns, representing approximately 1,200,000 children, and presented to the joint educational committee of the house and senate, were unanimously adopted at a meeting of 75 school superintendents, principals, and members of the county education of Navarro county, at the high school here Tuesday night.

Dr. G. O. Clough, professor of education, Southern Methodist University, Dallas, made the principal address and chose as his subject, "The Value of Education, and Our Educational Outlook."

W. P. McCammon, president of the Corsicana board of education, called the meeting, and presided. He reported on the school situation as he sees it, and then presented Dr. Clough's address.

Dr. Clough declared "faith in education is futile," and he further averred: "Too many good laws have been passed before the public has been educated to appreciate them."

**Charges False Economy.**  
The speaker said that false economy has been enacted in the legislature in relation to education. "Appropriations have been slashed, and the result will be an undermining of national welfare," he went on. "Schools should and will share in the reduced expenses, but they should not be asked to do so in a great-nepotism than other items."

Dr. Clough contrasted France and the United States with Spain and Mexico, in progress, and pointed out the difference was in the educational policies of the nations.

**Resolutions Approved.**  
The resolutions that had been presented to the joint educational committee of the House and Senate by superintendents and trustees of 30 of Texas' largest towns, representing over 300,000 children, February 15, were read to the group, and after some discussion the report was approved as a whole.

Following are the resolutions: We recommend as a Child Conservation program:  
We urge that the State appropriation to be maintained at a minimum of \$17.50 per capita, fifty cents (\$17.50) as based upon the present method of taking the school census, for the reason that the school system of Texas faces a crisis and will be unable to continue to give education to the children of Texas unless this emergency is met at this time. It must be remembered that only now can these children be educated.

While we are not all agreed as to the wisdom and desirability of incorporating the sales tax as a permanent feature of taxation in Texas, we agree that the only feasible method of meeting the present emergency is to adopt for the ensuing biennium at least a reasonable, just and equitable general sales tax; and that provision be made to set aside a sufficient amount of the revenue to be derived therefrom to insure the payment of the seventeen dollar-fifty cents (\$17.50) per capita. We are unalterable on the subject of the school fund, and oppose any bill which would take away from cities and independent school districts the right to fix the basis of assessment for city and school taxes. We also are opposed to any joint resolutions No. 7 and No. 9, and any similar legislation which would make mandatory on cities and independent school districts the adoption of the Homestead exemption. We are in the interest of public school education we are vigorously opposed to and condemn house bills No. 218 and 220, which, if passed, will result in the public school fund of Texas being deprived of valuable oil, gas and mineral rights which rightly should be preserved for the benefit of the school children of Texas.

We heartily approve Senate bill 142, which centers in the State Board of Education the matter of granting of teachers' certificates, thereby abolishing the present intolerable and confusing regulations.

We commend the unselfish and intelligent work that has been done by the State Board of Education, and urge that its powers be enlarged and that it be given sufficient funds to enable it to work out an integrated and economical system of public instruction for the state of Texas.

We further urge that an emergency appropriation be made to pay rural high school tuition and transportation indebtedness now remaining unpaid for the school session of 1931-32, and that an appropriation be made sufficient to cover any indebtedness to be incurred for those items for the current school year.

They were approved by the following 75 Navarro county superintendents, principals, and trustees:  
A. Scott, Frost; Ernest C. Fisher, Emhouse; R. E. Huling, Emhouse; G. W. Stuke, Emhouse; C. C. Shell, Purdon; F. Davis, Purdon; N. J. Gaddy, Purdon; Mrs. H. R. Stroube, Corsicana; Mrs. T. Shell, Corsicana; W. P. McCammon, Corsicana; W. P. Norwood, Corsicana; M. E. Attry, Pettys Chapel; M. V. Harrison, Frost; W. H. Castles, Zions Rest; E. Palmer, Zions Rest; G. W. Watson, Barry; J. C. Watson, Barry; W. F. Ponder, Henry Jones; J. M. Fields, Henry Jones; Arnold Armstrong, Henry Jones; Fred White, Pickett; T.

## Courthouse News

**District Court.**  
Johnnie Thomas and Levester Green, negroes, entered pleas of guilty to indictments for burglary and chicken theft before District Judge Hawkins Scarborough Thursday morning and were given three-year suspended sentences in the burglary cases and were fined \$50 and costs in the chicken theft cases.

The negroes were tried in connection with the burglarizing of the chicken house of A. A. McCallum near Frost, Feb. 12, when 21 hens were missed. Fifteen of the chickens were recovered the following day at Italy, Texas, where they had been sold to a produce man. The negroes will be sent to the Navarro county farm to work out their fines.

**District Clerk's Office.**  
The following case was filed: Dale Fay Daniels vs. W. H. Daniels, divorce.

**Justice Court.**  
One was fined on a vagrancy charge and two were named in the complaint of alleged affray before Judge M. Bryant Wednesday.

Judge Sam B. Jordan sent a man to the county farm Wednesday to work out a fine assessed for alleged drunkenness.

**County Court.**  
Judgment was entered in favor of Richard and A. P. Mays against Mrs. Lena Blanding, suit on note, in the county court Thursday morning.

## Michigan Banks Are Opened Thursday

DETROIT, Feb. 23.—(AP)—Michigan enters the second phase of its extraordinary banking holiday today with the reopening of all banks—some of them for the first time since Governor William A. C. Comstock proclaimed the holiday on February 14.

With few exceptions, banks throughout the lower peninsula followed the lead of Detroit's banks and announced that five per cent of all accounts would be made available to depositors.

## Windshield Wipers Sale and Service on Trico TAYLOR ELECTRIC CO.

## Sales Record for Past 54 Months Is Announced

Dayton, Ohio, January 8, 1933.—A record of the business which is possibly without parallel in business history was revealed here today when officials of the Sargol Laboratories, Inc., reported that fifty-four months ago their medicines, Sargol and Sargol Soft Mass Pills, were first placed on the market, and that up to date 7,417,428 packages of these two medicines have been sold.

In explanation of this truly remarkable record Mr. J. J. Gibson, Secretary of the Company, said: "We spent two years' time and a considerable fortune in developing these medicines before they were placed on the market, and we had good reason to believe that as soon as the public became acquainted with their effects there would be a very large demand for them. This is what seems to have happened during the past fifty-four months."

"As evidence of this," he continued, "thousands upon thousands of individual endorsements have literally poured in from all parts of the country, and we are shipping our medicines throughout the United States, Canada, and Hawaiian Islands, Porto Rico, the Philippine Islands, Cuba, Jamaica, and several Central American countries. Only yesterday we received an order from Nice, France, in which a large part of our business comes from sections where our advertising has never appeared. This indicates that people actually stimulate the liver to cleanse itself by increasing its production of bile. Sargol and Sargol Soft Mass Pills also promote general glandular activity; build up the red blood cells, and correct the most prevalent causes of indigestion and constipation and the many ailments resulting from these disorders."

When asked for a brief statement of what effects Sargol and Sargol Pills have on persons who take them, Mr. Gibson replied: "These are new medicines and they actually accomplish many things which the older remedies were supposed to do. For instance, it is now conceded by the medical profession that calomel and other laxative drugs have no effect whatever on the liver. Our medicines actually stimulate the liver to cleanse itself by increasing its production of bile. Sargol and Sargol Soft Mass Pills also promote general glandular activity; build up the red blood cells, and correct the most prevalent causes of indigestion and constipation and the many ailments resulting from these disorders."

## MANY IMPROVEMENTS BEING MADE AT STATE HOME PRESENT TIME

### NEW CONSTRUCTION AND REMODELING GOING FOR- WARD AT INSTITUTION

A program of continuous improvement of the State Home has been adopted under the supervision of J. S. Halley, superintendent.

A modern bakery has just been installed adjoining the kitchen in the new dining hall, the building has been completed for a new ice plant and the machinery has arrived and will be installed soon. Numerous other improvements including remodeling and repairing the dormitories, graveling streets, grading the campus, installation of an incinerator and other work necessary to keep the buildings in a good repair have been under way recently.

Next on the program is the remodeling, rebuilding and enlarging the laundry; building a new mule barn, a new garage, new pipe supply house and tearing down the old power house. Most of this work will be done by the Home and no contract will be let. Remodeling, rebuilding, enlarging the laundry and the new equipment is expected to cost \$15,000. The present laundry is housed in the original building built for that purpose years ago and it is in a bad state of repair.

**Install New Equipment.**  
When the new building is completed new equipment will be added. The new building will be placed on the site of the old laundry, but will be somewhat larger. Most of the equipment in the present laundry will be used in the new building, with additional machinery purchased where needed.

The new mule barn will be built from material taken from the old power plant and it will be located west of the present mule barn, which will also be torn down.

The new pipe supply house will be built adjoining the new ice plant and all pipes for use in the power house, steam fittings and water lines will be kept there. This will also be built by the Home. Buildings and fences will be painted where necessary and a new color scheme of red and white will be used.

**New Bakery In Operation.**  
The new bakery recently installed is now in operation and between 600 and 650 loaves of bread are being baked daily. In addition to the cakes and other delicacies used at the home, the bakery has a capacity of 2,000 loaves of bread daily and will keep pace with the growth of the institution in mind. All the necessary equipment is included in the bakery and a silo has been installed in the dining room where the loaves are delivered before each meal. Eye and Graham bread are baked as well as the usual white loaf.

The ice plant when completed will supply enough ice for 2500 people. This plant has been constructed near the main power house and the engineer of power plant will have charge of both plants. The work room and pipe fitting rooms are located in the new ice plant.

Farm work is now well under way at the Home. Corn is being planted and garden work is being done. The Home has a 28 acre garden and 60 bushels of Irish potatoes have been planted. Other seasonable vegetables are being planted.

There are now 892 children in the Home and there were 509 when J. S. Halley became superintendent six years ago.

## Little Girl Died In Local Hospital; Burial Zion's Rest

Barbara Gene, age 3 years, daughter of Mr. and Mrs. L. J. Peebles of Zions Rest, died at 2:50 Thursday morning in the Navarro Clinic and funeral services will be held at the home Friday afternoon at 2:30 o'clock. Burial will be in Zions Rest cemetery.

## STREETMAN WOMAN BURIED IN BIRDSTON CEMETERY THURSDAY

Funeral services for Mrs. Ida Lorena Jones, 60, wife of James J. Jones, Streetman, Route 2, who died at the P. and S. Hospital Wednesday afternoon at 12:50 o'clock after an illness of several weeks, were held from Stewart United Presbyterian church here Thursday afternoon at 2 o'clock with burial in the Birdston cemetery. The services were conducted by Rev. Simpson of Eureka, assisted by Rev. Paul Kennedy, pastor of the United Presbyterian church.

Surviving are her husband, five sons, W. C. Jones, Corsicana; R. L. Jones, Olney; A. C. Jones, Kile; A. O. Jones and J. P. Jones, Jr., both of Corpus Christi; three brothers, W. B. Brock, Corsicana; Webb Brock, Albany; and Alva Brock, San Antonio; and four sisters, Mrs. Alice Covington, Corsicana; Mrs. Ollie Carter, Corsicana; Mrs. Joe Muns, Streetman; and Mrs. Carrie McCarroll, Garden Valley.

Pallbearers were W. C. Jones, R. L. Jones, A. C. Jones, J. P. Jones, Jr., H. R. Stewart and Webb Brock.

The funeral was directed by the Corley Funeral Home.

**Salvation Army Board Meets.**  
With J. W. Edens, president, a brief session of the Salvation Army advisory board was held in the Army headquarters Wednesday afternoon with State Commander D. M. Main of Dallas. Matters pertaining to several angles of the Army work was discussed.

## How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nauseless calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish, no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv.)

## WHO will Steer the Family Ship When You Are Gone?

The management of even a small estate is no easy matter—particularly to a woman who has had small experience in the conduct of business affairs. Safeguard your family. Consult with us about a trust NOW—it will provide security for your loved ones.

## HIGH OFFICIAL OF SALVATION ARMY IN CITY ON WEDNESDAY

Col. and Mrs. David Main were the special guests and speakers at the Salvation Army indoor camp-meeting Wednesday.

In the afternoon Mrs. Main spoke at a women's meeting, then at four o'clock the colonel met members of the advisory board.

At night the meetings were held, first one for young people, then the one on the street, and in the hall at 7:30.

In this meeting Colonel Main gave Frank Wilson a commission as corps sergeant major, the highest local office that can be held.

The colonel was pleased with the progress being made by the local corps along spiritual lines and the audit done by the financial secretary, Adjutant H. Gesner, revealed the books to be in good order and all records properly kept.

## TWO PROMINENT OLD CORSICANA FIRMS IN CONSOLIDATION MOVE

Announcement is made today of the consolidation of the two firms, W. M. Tatum Hardware Co., and Tatum and Cunningham.

According to information, the business in the future will be carried on as W. M. Tatum Hardware Co., in the location now occupied by Tatum and Cunningham. All employees of both concerns will remain with the merged organization.

This move was explained as one of concentration with the knowledge that it will enable the concern to give the public better service, the types of merchandise that is in demand, and to offer the public better value than heretofore has been possible. In preparation for drastic inventory reduction sale, the store will be closed Friday and will open Saturday with a sale.

## HAVE BABY DAUGHTER. WORTHAM, Feb. 23.—(Spl.)— Mrs. T. O. Sims is in Jacksonville visiting Mr. and Mrs. Glen Powers, and her little grand daughter, who made her arrival in that city Sunday. Mrs. Powers was formerly Miss Nova Dee Sims of Wortham and the many friends here extend hearty congratulations and all best wishes for the little daughter and her parents.

## USED CAR YOU WANT AT A PRICE YOU CAN AFFORD TO PAY

## BEAUTY CHATS

By Edna Kent  
Forbes

All requests for beauty information desired by Edna Kent Forbes columnists should be accompanied by a fully self-addressed, stamped envelope (a.s.e.) and two cents in stamps to cover cost of printing and handling. For the illustrated pamphlet, "BEAUTY," ten cents in stamps with fully a.s.e. must be enclosed. Address Miss Forbes in care of this paper.

## A NEW HOLLYWOOD CRAZE

## NEWS FROM HOLLYWOOD

Do you breathe—if so, how? That's the question Hollywood health instructors are asking these days. Miss Forbes is in Hollywood for a brief visit and writes the news of the newest craze.

You'll laugh at the newest Hollywood craze—a fad so new that not even the fan magazines have caught on. It is learning to breathe!

Let me hasten to explain. I've heard people called too lazy to breathe! Whatever else you may say about the movie folk you can't ever accuse them of laziness. Such cheer at a call to get up at six and reach the studio by seven! Such goodnature about working until four the next morning! By learning to breathe I mean the new exercises, to keep you in condition, to cure your own special ailment—chiefly done by breathing properly!

There is a new health club here which specializes in this. You put on black skin tight bathing suit and a heavy white cotton sweat shirt. Then you stand on a partly enclosed porch, and spend minutes with an instructor—each client has her own instructor—and you breathe. Half the period you lie on a table the other half you stand up. Bending, turning, raising the arms and legs, at all times the instructor has his hands on your hands or your feet, or your shoulders, resisting your movements, and counting, so you breathe rhythmically and deeply. If you have never done exercises in this fashion, you will be astounded at the results. The breathing does what the instructor calls internal massage. It purifies the blood stream,

counter-acts acid, bad digestion, sluggish circulation, sluggish elimination. You feel tired, but exhilarated at the end of the time. Then you have a very brief, say, a shower and massage—and how well you feel throughout the day! You can't give yourself the sort of exercise I describe, though you could imitate some of the movements with a weight and pulley exerciser. But you can spend ten to 20 minutes a day doing deep breathing exercises in the fresh air and you'll benefit by Hollywood's new craze that way.

Mary Lou—The following exercises will strengthen the eyes. Sit yourself comfortable where you will be able to keep your head from changing positions as you take the exercises. Look upward as far as possible, making a slight effort to reach a high position in your vision. Then downward in the same manner; come back, close eyes a very few seconds for a rest. Do the same thing taking a diagonal direction of upward, then downward back to position, and close eyes for an instant by rolling eyes ball around in both directions, say, if you begin and roll to right and around, then start and roll toward the left side, and always rest afterward. Place finger tip directly in line with eyes and at arms length from you, and fasten your vision on the tip of your finger, holding it there as you draw the hand toward your eyes clear to the end of the exercises when finger rests directly between the eyes. If you have time to do each exercise three times it will be much better than just once, and it will hasten the strengthening of the muscles of the eyes.

## DISTRICT CLERK

FAILED TO MAKE  
LAW ALLOWANCE

The annual report of Mrs. Louise B. Hervey, district clerk for 1932, shows total fees collected at \$4,759.36 and uncollected fees at \$2,535.40. Under the statute, the district clerk is allowed \$5,500 maximum fees. Mrs. Hervey made \$3,535.36, less expenses of office of \$188.06, lacking \$1,960.

64 of making the maximum allowed. State fees collected amounted to \$2,876.06. Copies of instruments, certified and uncertified, amounted to \$88.75. Civil fees totaled \$1,656.55 collected, and delinquent tax collections accounted for \$124. Deputy salary amounted to \$1,200, and premium on surety bond was \$20.

Excuse fees amounted to \$789.39 after the clerk's salary of \$2,750 was retained. The clerk is allowed the first \$1,250 in excess fees so no fees were returned to the county.

There were 1,795 delinquent tax suits filed during 1932, with 1,671 not being paid and only 124 paid.

## GARDENING PAYS GOOD DIVIDENDS FROM VEGETABLES

BALANCED GARDEN PLAN IS  
OUTLINED BY A. & M. EX-  
TENSION SERVICE EXPERT

COLLEGE STATION, Feb. 23.—(P)—Gardeners may expect to get 50 per cent or more of their spring gardens at a cost of about \$4.50 this year if they can do as well as 28,636 persons who co-operated in demonstrations with Texas county home and farm demonstration agents last year. "These are the gardens on which records were kept, but many thousands more were influenced by the example of these demonstrators, 90 per cent of whom were women and girls," states J. F. Rosborough, horticulturist in the Extension Service at Texas A. and M. College.

Pointing out that careful planning is the first step toward gardening success, Mr. Rosborough explains that "farm gardens should be one-half acre in size, or at the very least 100 by 150 feet. A family of five needs about 3000 pounds of vegetables to supply the complete needs of the diet for a year. It takes about one foot of row to furnish one pound of vegetables."

"A balanced garden plan that many demonstrators have used with satisfaction calls for the following in 3-foot rows: 50 feet of shallots, 50 feet of mustard, 50 feet of New Zealand spinach, 50 feet of radishes, 50 feet of lettuce, 50 feet of Swiss chard, 150 feet of onion sets or plants, 50 feet of garlic, 50 feet of dill, 50 feet of chili pepper, 150 feet of English peas (2 plantings on same bed two weeks apart), 100 feet of beets, 50 feet of turnips, 150 feet of carrots, 150 feet of spinach, 300 feet of bush beans, 150 feet of lima beans, 300 feet of sweet corn, 150 feet of okra, and 600 feet of Irish potatoes followed by cream or black-eyed peas. In 4-foot rows: 600 feet of tomatoes, 75 feet each of squash and cucumbers, and 300 feet of sweet corn. In 6-foot rows: 150 feet of cantaloupes, 100 feet of asparagus, and 50 feet of rhubarb."

"This plan gives at least 5 varieties and 728 feet of row space to the leafy or green vegetables; at least 5 varieties and 728 feet of row space to other kinds of vegetables. Such a balance as this is required for health. Varieties may be submitted in the above plan but replacements should be made with other varieties of the same class, that is if spinach is left out one or more other leafy vegetables should replace it, such as cauliflower, broccoli, rape, kale, or Chinese cabbage."

Help in gardening may be had from county farm or home demonstration agents or from two bulletins distributed by them or sent free on request to the Extension Service at College Station. These are D-51 "Garden Demonstration" and B-70 "Gardening."

## REGISTRAR TEXAS TECH SUCCEMED TO HEART AILMENT

LUBBOCK, Feb. 23.—(P)—The career of E. L. Dohoney, registrar at Texas Technological College since its founding, was ended by death last night. He succumbed to a heart ailment.

The 61-year-old educator and business man was a graduate of the University of Texas and took his Master's degree at Texas Tech. He was the first superintendent of Amarillo public schools, going to Amarillo in 1901 from Paris, where he served as principal.

He resigned from the school system in 1903 and established an insurance and real estate business, which he operated until 1913. He resided in Fayetteville, Ark. for a short time and then became assistant superintendent of the Texas department of education at Austin.

Later he was superintendent of the Vernon schools. In 1922 he returned to Amarillo, where he received his appointment to the Lubbock institution.

When President Bradford Knapp of Texas Tech was advised in Austin of Dohoney's death, he was deeply grieved and returned immediately to Lubbock. He praised the deceased registrar highly.

Among his survivors were his widow, two daughters, Mrs. Warren Tate of Houston, and Miss Ann Dohoney, a freshman at Texas Tech; and one son, Alfred Dohoney of Houston.

Funeral services were incomplete last night.

## PROHIBITION

(Continued From Page 1)  
Georgia's record of continuous bone dry law observance dates back to 1907. Alabama went dry in 1907, repealed in 1911 and re-adopted the bone dry measure in 1915.

South Carolina abolished its state dispensary in 1907 but some counties continued the dispensary until 1915 when all were abolished. A law was passed in 1915 allowing individual import of a gallon a month and a measure passed in 1917 making it a quart a month was in effect when the eighteenth amendment became a law.

North Carolina, Tennessee and Mississippi all went dry in 1909. Local option was in effect in North Carolina, however, for many years before final prohibition took effect. Arkansas became bone dry in 1915.

Florida and Louisiana were the last of the Southern states to pass strict prohibition laws. Florida originally had a county option law but in 1918 the legislature at a special session put the bone dry provision in the constitution and it became effective in 1919.

Louisiana enacted the Hood prohibition act in 1921. Only recently an election to repeal it was held and voted on favorably but the validity of the repeal referendum is pending in the supreme court.
